Dear parent,
Assalamualaikum,

TEACHER

“You may not see the fruit of today’s work

But you have sown a lifetime of knowledge.”

Teachers help students find important things they have lost in everyday life. Sometimes it is a paper, an eraser or a scale... other times it is courage, confidence and smile.

On the occasion of Teacher’s Day, 5th September 2020 – to honour the teachers’, Azaan International School is organising an online speech activity in which students will have to speak for a minute on the importance of “Role of a Teacher in Nation Building”. The activity will be conducted in two languages (English and Hindi/Urdu). Timings for the same will be posted in the class groups.

Note: Best student videos will be uploaded on the school website.

“Let’s cheer up our teachers”

Regards,
KMN
