

Dear Parents,

Assalamu Alaikum

Grade VI

Date: 21.04.2018

04 Shaban-ul-azeem 1439

As the scorching Sun had already started shining bright above our heads, we have started experiencing the harshness of summer with the hot and dry wind blowing on our face. Some of the tips are listed below to keep your family safe during this summer.

1. **Avoid going out during the afternoon since it is the time when the sun shines the brightest and temperatures are at their peak.**
2. When going out during the day, cover your face and especially your ears.
3. Always cover the ears with a towel or stuff cotton balls in your ears. This will prevent the Loo from affecting your health.
4. **Drink lots of water to keep yourself safe from being dehydrated.**
5. Drink juices or something liquid in every couple of hours to keep the body fit and safe.
6. Eat something that keeps your body cool like curd, watermelon, coconut water, Sugarcane juice etc.
7. Wear cotton and preferably light colored clothes.
8. Avoid going into a cool place just after coming back from sun because the sudden variation in the temperature can make you fall sick.

This summer vacation is also accompanied with the holy month of **Ramadan**. Ramadan is the month in which Allah (s.w.t) opens His doors of mercy, forgiveness and blessings upon us. Let us utilize this month to its maximum by asking the forgiveness from Allah (s.w.t) and making Dua for the umma.

Do remember the whole Azaan Family in your dua so that we can continue serving you in the best way which Allah (s.w.t) wishes.

*Wishing you all **HAPPY SUMMER VACATION & RAMADANMUBARAK.***

Regards
Headmistress

Holiday Homework

The students have been assigned a multidisciplinary project based on a theme as holiday homework, which allows them to connect and combine different subjects and encourage them to apply their acquired knowledge in a more practical and hands on way.

Topic: Water.

- Water is one of those natural resources without which, we can't even imagine about the existence of human beings and life on our planet. Water is our primary need. It is not only important to 'save water' but we should also spread the awareness about 'saving water'. Using the correct colour, fonts and catchy slogans **design a poster(on a chart paper) on the theme "SAVE WATER"**
- The approved water usage as stated by the government is 135 lit of water per person a day. Conduct a survey in your home & find out the amount of water they use on daily basis. **Estimate the amount of water per activity making a tabular column.** Are people in your home following the daily limit in usage of water? **Give your opinion on usage of water at home.** (to be done on A4 size colour papers)
- Find the **total consumption of water by each of your family member for a week.** Note it down in a tabular form & **Draw a bar graph** from your observation on a graph sheet. (to be done on A4 size colour papers)
- **Write a poem of 8 lines on "WATER".** Follow the rhyme scheme AA BB or AB AB, use Alliterations and Metaphors or Similes to make it more interesting and describing. (Or) **Imagine you are water, write your autobiography in about 10 to 15 lines.** (to be done on coloured A4 size paper)

Note: Guide your child in completing the holiday homework, please take care that your child uses the internet under your supervision.

Date of submission of homework: 18th June, 2018

- *Summer vacation is from 22nd April, 2018 to 17th June, 2018. School will re-open on 18th June, 2018. Timings: 8:00 am to 4:00 pm (Monday to Friday) & 8:00 am to 12:30 pm (Saturday)*

Grade VI

Fasting

Fasting is, first and foremost, an exercise for identifying and managing adversity in all its forms. With faith, in full conscience, fasting calls women and men to an extra degree of self-awareness.
