

Dear Parents,

Assalamu Alaikum

Grade VII

Date: 21.04.2018

04 Shaban-ul-azeem 1439

As the scorching Sun had already started shining bright above our heads, we have started experiencing the harshness of summer with the hot and dry wind blowing on our face. Some of the tips are listed below to keep your family safe during this summer.

1. **Avoid going out during the afternoon since it is the time when the sun shines the brightest and temperatures are at their peak.**
2. When going out during the day, cover your face and especially your ears.
3. Always cover the ears with a towel or stuff cotton balls in your ears. This will prevent the Loo from affecting your health.
4. **Drink lots of water to keep yourself safe from being dehydrated.**
5. Drink juices or something liquid in every couple of hours to keep the body fit and safe.
6. Eat something that keeps your body cool, like curd, watermelon, coconut water, Sugarcane juice etc.
7. Wear cotton and preferably light colored clothes.
8. Avoid going into a cool place just after coming back from sun because the sudden variation in the temperature can make you fall sick.

This summer vacation is also accompanied with the holy month of **Ramadan**. Ramadan is the month in which Allah (s.w.t) opens His doors of mercy, forgiveness and blessings upon us. Let us utilize this month to its maximum by asking the forgiveness from Allah (s.w.t) and making Dua for the umma.

Do remember the whole Azaan Family in your dua so that we can continue serving you in the best way which Allah (s.w.t) wishes.

***Wishing you all HAPPY SUMMER VACATION &
RAMADAN MUBARAK.***

*Regards
Headmistress*

Holiday Homework

The students have been assigned a multidisciplinary project based on a theme as holiday homework, which allows them to connect and combine different subjects and encourage them to apply their acquired knowledge in a more practical and hands on way.

Topic: Silk Industry

- Write about the birth and journey of cocoon from plant to silk cloth i.e describe the six different stages involved in sericulture or silk farming. Write in detail about the seven steps of rearing process of silkworms. Support your project with pictures. (to be done on A4 size papers)
- Pick out any 15 words from the extract you have written and write the part of speech, meaning, synonym and antonym of each word.
- Find out the production of silk in countries like Bangladesh, Brazil, China, India, Thailand, North Korea and Vietnam during the year 2015 & 2016. Draw a bar graph and a pie diagram representing the silk production in various countries. (to be done on colour A4 size papers and graph sheet)
- Locate the countries which are leading the world in silk production (i.e Bangladesh, Brazil, China, India, Thailand, North Korea and Vietnam) on the world map. Find out which states of India practice sericulture and locate them on India map.

GRADE VII

CHARITY

Every charitable act is a stepping stone towards heaven.

1. Collect Rs. 20 from each family member. Ask your father / mother to take you to any orphanage or the house of any poor family where you can spend time with them and donate this amount in the form of charity.

Prophet (ﷺ) said: *"Giving charity to a poor person is charity, and (giving) to a relative is two things, charity and upholding the ties of kinship."* (Sunan an-Nasa'i - The Book of Zakah)

Then write a report on your experience in about 100 - 200 words on A4 size sheet.

2. Visit at least any one sick person with your parents as Hazrat Ali (ؓ) reported that he heard the Messenger of Allah (ﷺ) saying [Explanation of Hadith]: *"When a Muslim visits (the sick) Muslims in the morning, seventy-thousand angels send Salaat upon him until the evening. And when a Muslim visits at night, seventy thousand angels send Salaat upon him until the morning, and there will be a garden for him in Paradise."* (Jami` at-Tirmidhi- The Book on Jana'iz) **Write your experience in 150 words.**

3. Memorise five Kalimaat of Islam and 10 short Surahs of the Qur'an.
