

*Dear Parents,**Assalamu Alaikum**Grade VIII**Date: 21.04.2018**04 Shaban-ul-azeem 1439*

As the scorching Sun had already started shining bright above our heads, we have started experiencing the harshness of summer with the hot and dry wind blowing on our face. Some of the tips are listed below to keep your family safe during this summer.

1. Avoid going out during the afternoon since it is the time when the sun shines the brightest and temperatures are at their peak.
2. When going out during the day, cover your face and especially your ears.
3. Always cover the ears with a towel or stuff cotton balls in your ears. This will prevent the Loo from affecting your health.
4. Drink lots of water to keep yourself safe from being dehydrated.
5. Drink juices or something liquid in every couple of hours to keep the body fit and safe.
6. Eat something that keeps your body cool, like curd, watermelon, coconut water, Sugarcane juice etc.
7. Wear cotton and preferably light colored clothes.
8. Avoid going into a cool place just after coming back from sun because the sudden variation in the temperature can make you fall sick.

This summer vacation is also accompanied with the holy month of **Ramadan**. Ramadan is the month in which Allah (s.w.t) opens His doors of mercy, forgiveness and blessings upon us. Let us utilize this month to its maximum by asking the forgiveness from Allah (s.w.t) and making Dua for the umma.

Do remember the whole Azaan Family in your dua so that we can continue serving you in the best way which Allah (s.w.t) wishes.

*Wishing you all HAPPY SUMMER VACATION &
RAMADAN MUBARAK.*

Regards
Headmistress

Holiday Homework

The students have been assigned a multidisciplinary project based on a theme as holiday homework, which allows them to connect and combine different subjects and encourage them to apply their acquired knowledge in a more practical and hands on way.

Topic: Green Revolution

- Write an essay on “Green Revolution” highlighting the significant changes that transformed the agriculture system in India. Add the relevant pictures to support the content. (eg: Why was Green Revolution started in India and what are the positive and negative impacts of Green Revolution)
- Write a biography on “M.S.Swaminathan” - Father of Green Revolution.
- Make a poster on “Traditional Farming Techniques” that were in practice before Green Revolution.
- Following is the production of rice, wheat and bajra in India from 1950 to 2012. Draw a bar line graph and pie representing the production of these crops and also mention the reason for the increase in production of crops.

Crops	1950-51	1960-61	1980-81	1990-91	2000-01	2011-12
Rice	668	1013	1336	1740	1901	2372
Wheat	655	851	1630	2281	2708	3140
Bajra	288	286	458	658	688	1171

(Use coloured A4 size papers and graph sheets for the project)

*Note: Guide your child in completing the holiday homework, please take care that your child uses the internet under your supervision.
Date of submission of homework: 18th June, 2018*

*Summer vacation is from 22nd April, 2018 to 17th June, 2018.
School will re-open on 18th June, 2018. Timings: 8:00 am to 4:00 pm (Monday to Friday) & 8:00 am to 12:30 pm (Saturday)*

Grade VIII

Discuss with your grandparents / parents about these points.

1. On whom Zakat is obligatory?
2. Objects on which Zakat obligatory.
3. To whom Zakat should be given?

Zakat in Islamic terminology means: giving a certain percentage of excess wealth (more than 75 grams of Gold or 525 grams of Silver) to the deserving Muslims once in every lunar year. The amount of Zakat paid on capital assets is 2.5%

Abdul Rahman has 100 gms of gold of worth Rs. 2, 67,600. He needs your help to calculate Zakat in order to gain the best rewards from Allah (I) in the month of Ramadhan. Being a student having aptitude skills, help him find out the amount of money to be given as Zakat with the help of the given formula.

(Activity to be done on A4 sheet)
