Grade-12 (Holiday Homework) April 2019

Parent,

Assalamualaikum,

Summer vacation starts from 22nd April 2019 and the school re-opens on 10th June 2019. Kindly ensure that your ward spends this quality time in fruitful activities.

Vacation provides a good chance to enhance skills and gain hands on experience.

Considering that students should remain in touch with academics even while they relax and recreate during the holidays, assignments are being given. Care has been taken to see that the quantum is reasonable and can be completed in limited time without stress. This is to ensure that students do not forget the portions that they have learned before holidays.

These assignments carry marks and are to be completed accordingly under the supervision of the Parents.

We take pleasure in greeting you for the Holy Month of Ramadan. May Allah SWT bless us all.

Subject	Chapter	Holiday HW
English	Writing Task(Article Writing)	The beauty of the glass bangles of Firozabad contrasts with the misery of people who produce them. This paradox is also found in some other situations, for example those who work in carpet weaving factories, construction workers, gold and diamond mines, write an article in about 200-250 words on any one of them.
Mathematics	Matrices	 1. A trust invested some money in two type of bonds. The first bond pays 10% interest and second bond pays 12% interest. The trust received Rs.2,800 as interest. However, if trust had interchanged money in bonds, they would have got Rs.100 less as interest. Using matrix method, find the amount invested by the trust. Interest received on this amount will be given to Help age India as donation whose value is reflected in this question? (OR) 2. To promote the making of toilets for women, an organization tried to generate awareness through (i) House calls (ii) Letters and (iii) announcements. The cost for each mode per attempt is given as follows: (i) Rs.50 (ii)Rs.20 (iii) Rs.40 The number of attempts made in these villages X,Y and Z are given below: (i) (ii) (iii) X 400 300 100 Y 300 250 75 Z 500 400 150 Find the total cost incurred by the organization for the three villages separately using matrices. Write one value generated by the organization in the society.

Biology Experimental Based Activity "Investigatory Project" – Refer to the handout given by the school. Business Studies Nature and significance of management Identify the process & classify the different activities involv in a company at different levels that is high level, middle lev and low level management.
