Subject: Two Levels of Mathematics for AISS (Grade X) Board Examination, March 2020 Onwards.

Dear Parent,
Assalaamualaikum.

Based on the examination reforms presented in the NCF 2005, CBSE has introduced two levels of Mathematics for AISS (Grade X) Examination, March 2020 onwards.

The purpose is to cater to different kinds of learners, to allow different levels of testing and to reduce the overall stress levels of students in the subject.

Following may kindly be noted in this regard:

1. The two levels of examination will be held in the subject, Mathematics in the AISS (Grade X) Board Examination and the same shall not be applicable to internal assessments in class X.
2. The first level (Mathematics standard) will be same as existing one and the other level (Mathematics Basic) will be an easier level.
3. The syllabus, class room teaching and internal assessment for both levels of examination would remain the same however; the students can opt for any one of the levels, (Standard or Basic) for Board Examination depending on their aptitude & abilities.
4. Standard level is meant for students who wish to opt for Mathematics at **Sr.Secondary Level** and **Basic level** would be for students who are not keen to pursue **Mathematics at higher levels**
5. A student will have to choose between the two levels of Examination at the time of submission of **List Of Candidates** (LOC) by the school to the Board (C.B.S.E) by the end of this month.
6. In case a student fails at any level of Mathematics, he/she can appear at the Compartment Examination as per options given below:-

In case of failure in	Compartment Option
Mathematics Basic	Mathematics Basic
Mathematics Standard	Mathematics Standard / Mathematics Basic

- A student who qualifies the Mathematics Basic, shall be given an option to appear in Mathematics Standard at the time of Compartment Examination as per norms of the Board in case he/she changes his/her mind to pursue Mathematics at Senior Secondary level.

Based on the above information from the Board. You are requested to fill in the attached Consent form & send it to the H.M Concerned by 19/08/2019.
