Summer Holiday Homework – April 2026 – Grade X

Dear Parent,

Assalamualaikum.

This is to inform you that the school will remain closed for Annual Summer Vacation from Friday, 24th April 2026 to Thursday, 11th June 2026. School will reopen on Friday, 12th June 2026. Students are required to report to school on the reopening day in proper uniform with all holiday homework completed.

All assigned work must be done neatly on A4 sheets and submitted on the first day of reopening. Students are advised to follow a disciplined daily study routine and make productive use of their time.

Parents are requested to supervise their ward's study schedule and ensure timely completion of all academic tasks.

We wish all our students a safe, disciplined, and productive Summer Vacation.

SUBJECT	HOLIDAY HOMEWORK
English	1. Project :Any one in 25 A4 Size pages Topics (In A 4 sheet) 1. Importance of AI Education 2. Your Favourite Author / Poet in Literature 3. Importance of Reading skills 2. Letter to Editor-Concern about increasing pollution.

Chemistry	Write the Experiment NO. 1,2,3,8,9 in the Science lab record.
Physics	Write the experiment no. 4,5,10,11 and 13 in the science lab record
Biology	Write the experiment no. 6,7, 12 and 14 in the science lab record.
Social Science	<u>HISTORY & POLITICAL SCIENCE:</u> Chapter: The Making of the Global World. “Globalisation is not a recent phenomenon but a process that began centuries ago through trade, migration, exchange of food, and even the spread of diseases.” Evaluate this statement with reference to the Silk Route, the movement of food crops across continents, and the spread of epidemics such as the Black Death. How did these exchanges shape the economic, social, and cultural foundations of the modern world? This project aims to help students understand how trade, travel, food, and diseases connected different parts of the world and shaped modern globalization. Project Guidelines 1. Write the project in separate A4 sheets in neat handwriting. 2. Organize your work with clear headings and subheadings. 3. Include a map showing the Silk Route . 4. Add one creative element: a) Timeline of Global Exchanges.

	<p>b)Chart of Food Migration. c)Diagram showing Spread of Diseases. d)Use your own words. e)Attach a proper cover page with required details.</p> <p>Assessment Criteria (20 Marks) Content & Understanding – 5 Analytical Explanation – 5 Map/Creative Work – 4 Presentation & Neatness – 3 Conclusion & Reflection – 3</p> <p><u>GEOGRAPHY & ECONOMICS:</u></p> <p>This project aims to encourage innovative thinking and practical solutions to address pressing environmental challenges.</p> <p>Project Details Theme: Sustainable Development Objectives Raise awareness about environmental issues Promote sustainable practices and solutions Encourage creativity and critical thinking</p> <p>Project Components Research: Conduct research on a specific environmental issue or challenge Solution Proposal: Develop a sustainable solution or approach to address the identified issue Implementation Plan: Outline a detailed plan for implementing the proposed solution Presentation: Prepare a presentation to showcase your research, solution, and implementation plan Action Plan: Suggest practical steps for implementing your solution in school or local community</p> <p>Guidelines Choose a topic related to sustainable development (e.g., waste management, renewable energy, water conservation) Use a variety of resources: books, internet, surveys, interviews Ensure your solution is practical, feasible, and eco-friendly Present your work creatively using charts, models, or digital formats</p>
